## Peony

Bold. Layered. Beautiful –  
Just like the Peony in full bloom.  
It adds a hint of celebration to the simplest days.  
Playful yet elegant, for women who love a little drama.  
Because everyday basics deserve a statement too.

## Mushroom

Inspired by earthy tones and grounded charm.  
Mushroom is calm, versatile, and naturally stylish.  
Perfect for pairing with anything, anytime.  
Because neutral never looked this chic.

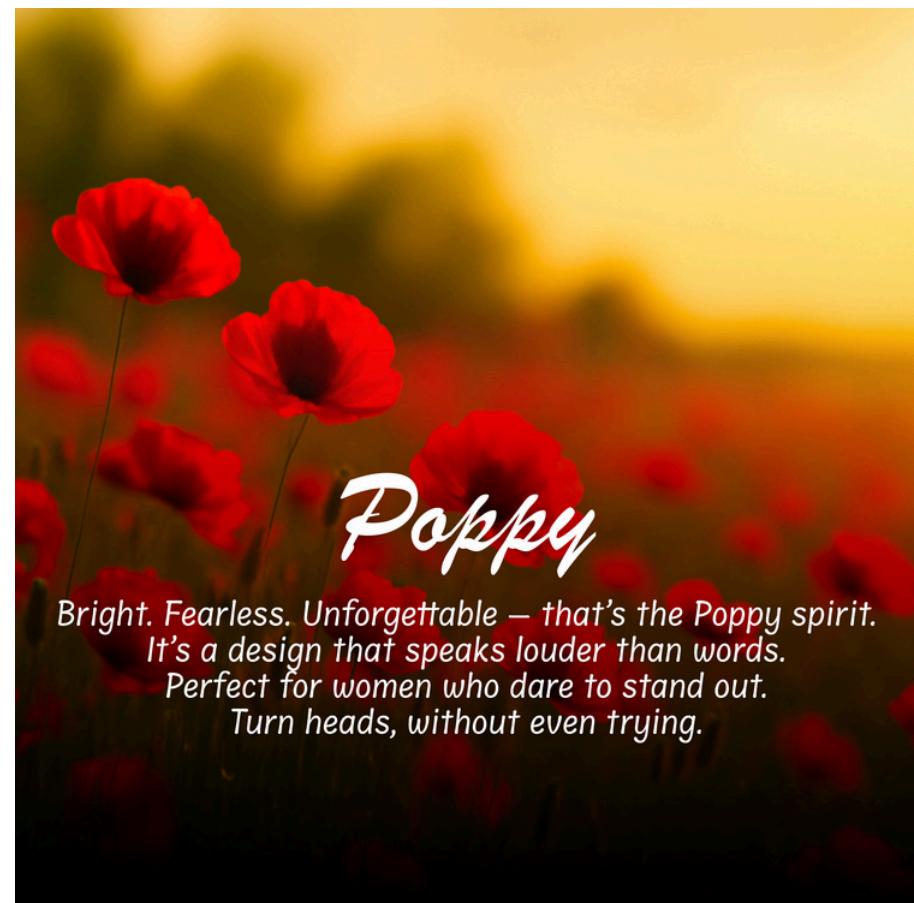

## Winter Rose

Cool tones, warm charm –  
Winter Rose is a story of contrasts.  
It's classic London elegance stitched with modern ease.  
Perfect for cozy mornings and stylish nights.  
A floral that keeps blooming, season after season.

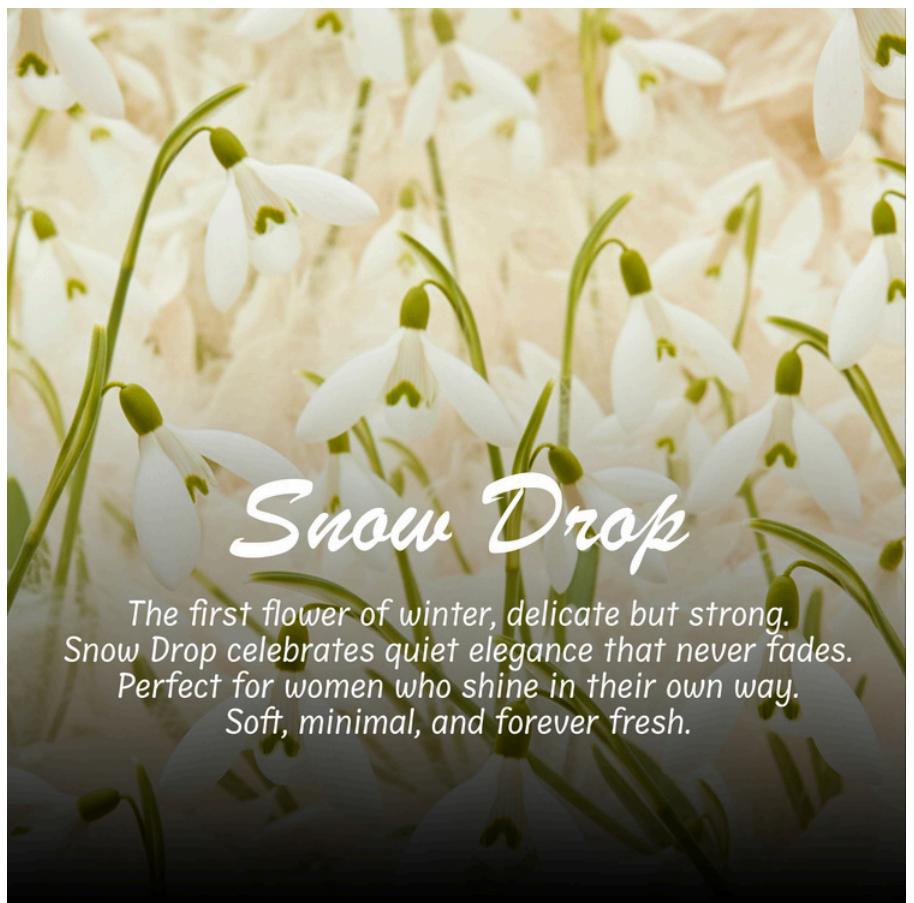

## Camellia

Elegant in silence, striking in detail.  
Camellia is all about effortless sophistication.  
Made for women who love a soft touch of chic.  
Everyday style, elevated with grace.

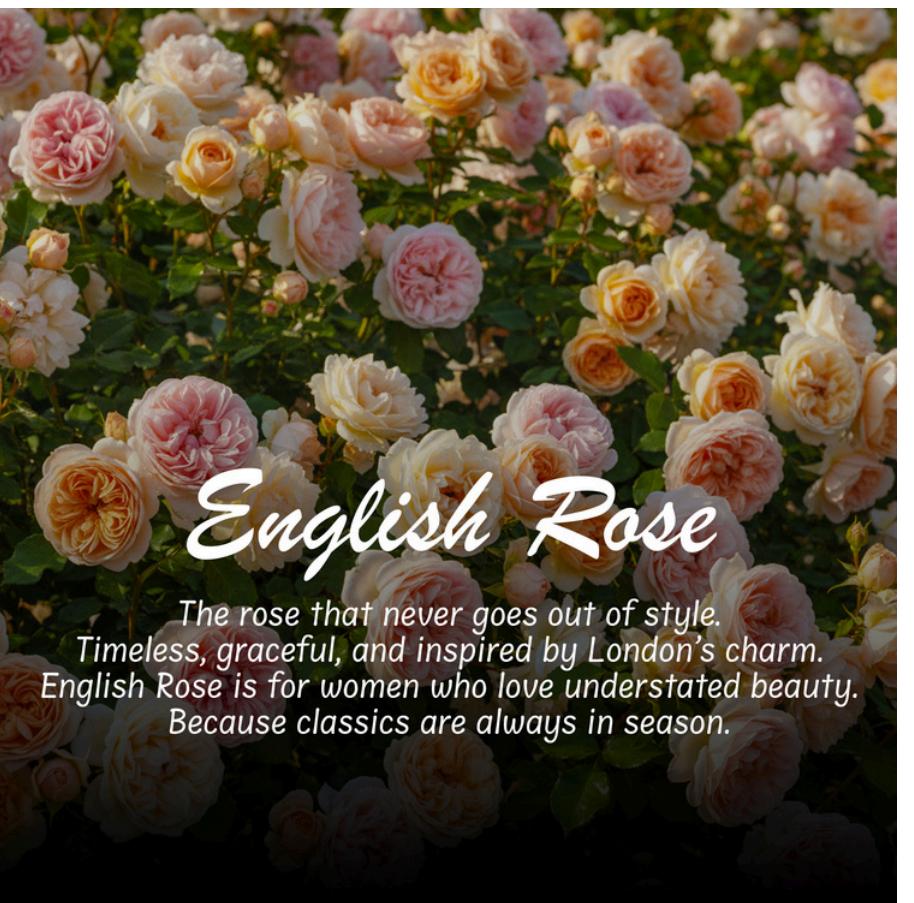

## Poppy

Bright. Fearless. Unforgettable – that's the Poppy spirit.  
It's a design that speaks louder than words.  
Perfect for women who dare to stand out.  
Turn heads, without even trying.

## Snow Drop

The first flower of winter, delicate but strong.  
Snow Drop celebrates quiet elegance that never fades.  
Perfect for women who shine in their own way.  
Soft, minimal, and forever fresh.

## English Rose

The rose that never goes out of style.  
Timeless, graceful, and inspired by London's charm.  
English Rose is for women who love understated beauty.  
Because classics are always in season.

## Wisteria

Like London's hidden lanes draped in wisteria,  
this design feels dreamy and rare.  
Soft, flowing, and full of grace –  
it brings a touch of romance to your everyday.  
Made for days when you want comfort with elegance.  
A gentle reminder that subtle always stands out.
